### **Why is Preserve Sporting Club perfect for your family getaway?**

Runway Travel was so impressed with the kid's camp! Kid Pegasus Camp Kids begin in the kitchen where they prepare for the horses. Campers learn how to groom, tack and lead their new friend. Arena lesson & Trail ride to follow. Post lesson, campers untack and bathe horses (if needed). Then head back to the kitchen to make a craft to take home, or paint one of the ponies. We end the day by feeding freshly baked treats. (1-4 participants) Ages 8 to 15. The maximum weight limit is 250lbs.
